ADVISORY**

Date: 29 January 2013

**This advisory provides notification of the end of life for the following product.**

<b>Product name:</b>	LavaPort-650
<b>Version:</b>	Moko L74.x
<b>End of production:</b>	29 February 2013
<b>End of sales:</b>	29 February 2013
<b>End of technical &amp; engineering support:</b>	29 February 2013
<b>Migration path:</b>	LavaPort-PCI
<b>Notes:</b> <p>LAVA encourages you to begin migration plans as soon as possible to upgrade your hardware before the end of technical and engineering support identified.</p> <p>Customers who have elected not to migrate to a supported product by the end of technical and engineering support may receive continued limited technical support, subject to the availability of resources. This limited assistance after the end of technical support consists of providing telephone and electronic assistance, and migration advice to customers upgrading to supported LAVA products. It does not include engineering support, new bug fixes or integration of any bug fixes into previous updates.</p> <p>If you have any questions, please call LAVA. One of our Customer Service representatives will respond to your questions or direct your call to someone who can.</p> <p>Thank you for your cooperation in this product transition. We are very excited about our new product releases and look forward to helping you to deploy and get the most out of them.</p>
